For the European Aviation Safety Agency,

Roger Hardy
Certification Manager

European Aviation Safety Agency

Terms of Approval

Design Organisation Approval Certificate EASA.21J.112

1. Scope of approval

This Design Organisation Approval has been granted for:

- designing small aeroplanes and commuters and changes and repairs thereto in accordance with the applicable type certification basis and environmental protection requirements
- showing and verifying the compliance with the applicable type-certification basis and environmental protection requirements, and
- demonstrating to the Agency this compliance.

2. Categories of products

Small aeroplanes and commuters.

3. List of products

Types for which Polskie Zakiady Lotnicze Sp.z o.o. is type-certificate holder: PZL M18, 18A, 18AS, 18B, 18BS PZL M26 01 PZL M28 00, 28 02, 28 05

4. Privileges

- (a) The holder of this design organisation approval shall be entitled to perform design activities under Part 21 and within its scope of approval.
- (b) Subject to 21A.257(b), compliance documents submitted by the holder of this design organisation approval for the purpose of obtaining a type certificate or approval of a major change to a type design shall be accepted by the Agency without further verification.
- (c) The holder of this design organisation approval shall be entitled, within its terms of approval and under the relevant procedures of the design assurance system:
 - 1. to classify changes to type design and repairs as "major" or "minor".
 - 2. to approve minor changes to type design and minor repairs.
 - to issue information or instructions containing the following statement: "The technical content of this document is approved under the authority of DOA nr. EASA.21J.112".
 - 4. to approve documentary changes to the aircraft flight manual, and issue such changes containing the following statement: "Revision nr. xx to AFM ref. yyy is approved under the authority of DOA nr. EASA.21J.112."
 - to approve the design of major repairs to products for which it holds the typecertificate.

5. Limitations [See in 1, above]

Date of issue: 24 October 2005
