discovery of a defect within the warranty period. Transportation charges (excluding related import and export charges) for the return of defectively serviced goods to Seller and their reshipment to Buyer and the risk of loss thereof will be borne by Seller only if returned in accordance with Seller's written shipping instructions. Any parts provided in the performance of services hereunder and sold hereunder shall be subject to the warranty set forth in paragraph A above.

C. Publications - Seller warrants to Buyer that any publications furnished hereunder will have been prepared in good workmanlike manner. Seller's liability and Buyer's remedy under this warranty are limited to the correction of such publications as shown to Seller's reasonable satisfaction not to have complied with this warranty; provided that written notice of such noncompliance shall have been given by Buyer to Seller within ninety (90) days after the delivery of such publications by Seller.

D. Training Courses - Seller warrants to Buyer that instruction given in the course(s) shall be given by personnel experienced and knowledgeable in the subject matter of the course. notice of such defect shall have been given by Buyer to Seller within one (1) year or 500 flight hours after the date of delivery, whichever first occurs, but in no event later than sixty (60) days after Buyer's discovery of the defect within the warranty period; and provided further that the Buyer shall not be charged for such repair or replacement.

G. Title - Seller warrants to Buyer that it will convey good title to the goods sold hereunder. Seller's liability and Buyer's remedy under this warranty are limited to the removal of any title defect or at the election of Seller to the replacement of the goods which are defective in title; provided, however, that the rights and remedies of the parties with respect to patent infringement shall be limited to the provisions of paragraph H below.

H. Patent Infringement - Seller shall conduct, at its own expense, the entire defense of any claim, suit, or action alleging that, without further combination, the use or resale by Buyer or any subsequent purchaser or user of the goods delivered hereunder directly infringe any United States or Poland or European Union patent, but only on the conditions that (a) Seller receives prompt written notice of such claim, suit, or action and full opportunity and authority to assume the sole defense thereof, including settlement and appeals, and all information available to Buyer and defendant for such defense; (b) said goods are made according to a specification or design furnished by Seller or, if a process patent is involved, the process performed on the goods is recommended in writing by Seller; and (c) the claim, suit, or action is brought against Buyer or one expressly indemnified by Buyer. Provided all of the foregoing conditions have been met, Seller shall, at its own expense, either settle said claim, suit, or action or shall pay all damages, excluding consequential damages, and costs awarded by the court therein, and, if the use or resale of such goods is finally enjoined, Seller shall, at Seller's option: (i) procure for defendant the right to use or resell the goods, or (ii) replace them with equivalent noninfringing goods, or (iii) modify them so they become noninfringing but equivalent, or (iv) remove them and refund the purchase price (less a reasonable allowance for use, damage, and obsolescence). If a claim, suit or action is based on a design or specification furnished by Buyer, or on the performance of a process not recommended in writing by Seller, or on the use or sale of the goods delivered hereunder in combination with other goods not delivered to Buyer by Seller, Buyer shall indemnify and save Seller harmless therefore.

I. Exclusive Warranties and Remedies - THE FOREGOING WARRANTIES ARE EXCLUSIVE AND ARE GIVEN AND ACCEPTED IN LIEU OF (i) ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, WHICH ARE HEREBY DISCLAIMED, INCLUDING WITHOUT LIMITATION THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE; AND (ii) ANY OBLIGATION, LIABILITY, RIGHT, CLAIM, OR REMEDY IN CONTRACT OR TORT, WHETHER OR NOT ARISING FROM SELLER'S OR ANY OF THEIR AFFILIATE'S NEGLIGENCE, ACTUAL OR IMPUTED, STRICT TORT LIABILITY OR BREACH OF WARRANTY. THE REMEDIES OF BUYER SHALL BE LIMITED TO THOSE PROVIDED HEREIN TO THE EXCLUSION OF ANY OTHER REMEDIES INCLUDING, WITHOUT LIMITATION, INCIDENTAL OR CONSEQUENTIAL DAMAGES. NO AGREEMENT VARYING OR EXTENDING THE FOREGOING WARRANTIES, REMEDIES, OR THIS LIMITATION WILL BE BINDING UPON SELLER OR ANY OF THEIR AFFILIATES UNLESS IN WRITING, SIGNED BY A DULY AUTHORIZED OFFICER OF SELLER OR SUCH AFFILIATE.

V. STANDARD CONTRACT TERMS AND CONDITIONS

A. Title - Title to and risk of loss of all Products shall pass to Buyer upon the date of delivery.

B. Excusable Delays - Buyer acknowledges that the delivery dates are based on the assumption that there will be no delay due to causes beyond the reasonable control of Seller. Seller shall not be charged with any liability for delay or nondelivery when due to delays of common carriers, suppliers, acts of God, terrorists or the public enemy, compliance in good faith with any applicable foreign or domestic governmental regulation or order whether or not it proves to be invalid, fires, riots, labor disputes, unusually severe weather, or any other cause beyond the reasonable control of Seller. The provisions of this clause shall also apply in the event that Buyer is not in 'good credit standing' with Seller as measured by outstanding unpaid invoices and other items that may constitute breach of contract by Buyer. Therefore, Seller's excusable delay shall be interpreted to include outstanding unpaid invoices by Buyer. To the extent that such causes actually retard deliveries on the part of Seller, the time for the performance shall be extended for as many days beyond the date therefore as is required to obtain removal of such causes. This provision shall not, however, relieve Seller from using reasonable efforts to avoid or remove such causes and continue performance with reasonable dispatch whenever such causes are removed.

C. Liability Limitation - With respect to any Product purchased under this Agreement and alleged to be the direct or indirect cause of any loss or damage to Buyer, the sum equal to the invoiced price of such Product (or if not

separately priced, Seller's established selling price for such item) shall be the ceiling limit on Seller's, or any of their affiliate's liability, whether founded in contract or tort (including negligence, strict tort liability or breach of warranty), arising out of or resulting from (i) this Agreement or the performance or breach thereof or (ii) the design, manufacture, delivery, sale, repair, replacement, use or furnishing of any such Product. In no event shall Seller, or any of their affiliates have any liability for any indirect, incidental, consequential or special damages.

D. Inability or Refusal to Pay - If Buyer is unable or refuses to make payment to Seller in accordance with any of its obligations to Seller, Seller may, at its option, terminate this Agreement by giving to Buyer a written notice of its intention to terminate. In addition, for Buyers other than foreign governments, if a receiver or trustee is appointed to any of Buyer's property, or Buyer is adjudicated a bankrupt, or application for reorganization under the Bankruptcy Act is filed by or against Buyer which shall not be dismissed within thirty (30) days, or if Buyer becomes insolvent or makes an assignment for the benefit of creditors, or takes, or attempts to take, the benefit of any insolvency acts, or an execution be issued pursuant to a judgment rendered against Buyer, Seller may also, at its option, terminate this Agreement by giving to Buyer a written notice of its intention to terminate. Upon any such termination, Seller shall be relieved of any further obligations to Buyer and Buyer shall reimburse Seller for its termination costs and expenses and a reasonable allowance for profit. All sums paid to Seller from whatever sources may be retained by Seller and applied toward any amount owed to Seller. In addition, Seller shall have the right to reduce and set-off against any amounts payable by Seller to Buyer or against Buyer's property in Seller's possession any indebtedness or other claim which Seller may have against Buyer. The excess, if any, of such sums over the total termination amount shall be returned to Buyer by Seller.

E. Export Licenses - Buyer will, on Seller's request, assist Seller in Seller's efforts to obtain any Polish Government export license or similar authorization which may be required now or hereafter for exportation of the Products. Seller and Buyer specifically acknowledge that this Agreement is conditioned upon the ability of Seller and Buyer to conform to the laws and regulations of the Polish Government and U. S. Government and its various cognizant departments regarding the sale of the Products to Buyer. Any technical data or defense service exported from Poland in furtherance of this Agreement and any defense article which may be produced or manufactured from such technical data or defense service may not be transferred to a person in a third country or to a national of a third country except as specifically authorized in this Agreement unless the prior written approval of the Ministry of Development of Poland and the U. S. Dept. of State or the U.S Dept. of Commerce have been

obtained, and this obligation will remain binding on the Buyer after the termination of this Agreement.

F. Import Licenses - With respect to any import laws and other regulations of the country of destination and its various cognizant departments regarding the import of the Products hereunder, Buyer shall be solely responsible for obtaining and complying with any and all import licenses or other authorizations which may be required for importing the Products.

G. Modifications Prior to Delivery - Seller shall have the right to incorporate at any time and without Buyer's consent changes in any Product to be furnished to Buyer hereunder where such changes are meant to improve the manufacturing or maintenance conditions of the Product, providing such changes do not materially prejudice the performance of the Product or the delivery schedule therefore. Seller shall also have the right, at any time without Buyer's consent, to incorporate such changes in any Product as are specified by the Polish Government and/or U. S. Government for this type of Product, providing such changes can be accomplished at no extra cost to Buyer.

H. Taxes and Other Charges - In addition to the Product price, Buyer shall pay to Seller any and all taxes (not including any income taxes), fees or duties which may be imposed by any taxing authority arising from the sale, delivery, or use of any Product (including, without limitation, excise and value added taxes, and any import or export duties), and for which Seller may be held responsible for collection or payment, either on its own behalf or that of Buyer, upon receipt by Buyer of Seller's invoice therefore. Buyer shall minimize, to the greatest extent possible, any taxes that may be imposed on Seller. In the event that Buyer pays income tax on behalf of Seller, or there are withholding taxes imposed on Seller, Buyer shall provide Seller with appropriate documentation to evidence the taxes or the payment thereof. Buyer's obligations under this paragraph H shall survive delivery of the Product(s) sold hereunder.

I. Notices - All notices, or communications of any kind under and with respect to this Agreement and the Products shall be in the English language. All legal notices required hereunder shall be given by hand delivery or registered mail. The effective date of each such notice shall be the date upon which it is received.

J. Construction/Jurisdiction/Disputes – This Agreement shall be interpreted in accordance with the plain English meaning of its terms, and the construction thereof shall be governed by the laws of Republic of Poland without regard to Poland’s conflict of laws principles. *For sales to foreign governments:* All disputes, claims and differences between the parties arising out of or under this Agreement shall be settled and finally determined by arbitration in accordance with the applicable rules of the International Chamber of Commerce ("ICC"). All decisions shall be in accordance with the substantive laws of the Republic of Poland, without regard to Poland’s conflict of laws principles, and the arbitration shall be conducted in the Republic of Poland. The arbitration court shall be composed of three (3) arbitrators, one of whom will be named by each party. The third arbitrator, who shall act as chairman, shall be determined in accordance with the rules of the ICC. The arbitrators shall meet and decide at a place determined by them by majority vote. The arbitrators shall decide each issue presented to them by a majority vote, and their decisions shall be in writing and shall be final and conclusive. The amount of the costs of any such arbitration and by whom they shall be paid will be determined as part of the arbitration. This Agreement shall be enforceable and judgment upon any award rendered by the arbitrators may be entered in any court having jurisdiction. *For all other sales:* The exclusive forum for any disputes, claims, differences, actions or lawsuits arising out of or under this Agreement shall be brought in the Polish Courts, in the jurisdiction and venue applicable to the Seller. The parties agree to submit to the jurisdiction of the courts of the Republic of Poland with respect to any such dispute, claim, difference, action or lawsuit.

K. Assignment/Merger - This Agreement shall inure to the benefit of and be binding upon the successors and assigns of the parties hereto, but it may not be voluntarily assigned, wholly or in part, by either party hereto. However, Seller may assign this Agreement to Sikorsky Aircraft Corporation without Buyer’s prior consent. The terms and conditions herein contained constitute the entire agreement between the parties hereto and shall supersede all previous communications, representations, or agreements, either oral or written, between the parties hereto with respect to the subject matter hereof, and no agreement or understanding varying or extending the same will be binding upon either party hereto unless in writing, signed by a duly authorized officer or representative thereof. If any term of this Agreement is determined to be invalid or unenforceable under applicable law, such term shall not apply; but the remaining terms of this Agreement shall remain in full force and effect.

L. Waiver – Any failure by either party to exercise any right granted by the terms and conditions of this Agreement shall not be construed as a waiver of such right or any other rights under this Agreement, and shall in no way affect

the subsequent exercise of such right or of any other rights under this Agreement by such party.

VI. ADDITIONAL PROVISIONS RELATED TO OVERHAUL AND/OR REPAIR SERVICES (If applicable)

A. Ground and Flight Risk - It is understood and agreed that, as a result of any work done by Seller, it may be necessary for Seller to make certain ground tests and flight tests of Buyer's aircraft.
